## A HEARTFELT VISIT TO THE ORPHANAGE HOME

(Date : May 03, 2004)

A lovely Sunday morning on May 3rd, the Sales & Marketing team from PT.Mulya Adhi Paramita, (a subsidiary company of the Dovechem Group) visited a Christian Orphanage Home, Panti Asuhan Karena Kasih located in Sunter, Jakarta Utara, Indonesia. The purpose of the trip was to spend a meaningful day with and to bring happiness to approximately 35 orphanages, while at the same time to donate some foods and money for their daily consumption.

The Group is very much welcomed by the children. During the 5 hours stay, the Group sing, play games, and do extra-curriculum activities with the children. It was a heart-warming time to see the children really enjoying themselves and the employees were dedicated and sincerely care for the society.

At the end of the day, the children had lunch sponsored by the Group and they hope to meet each other soon in the near future. The 'Caring for All' action is to be carried out continuously to help more people and the society.

Children sing, play games and enjoyed themselves with the Dovechem's group of generous and active employees.
