

DOVECHEM FINANCE / GROUP MEETING 2005

(Date: February 15, 2005)

The Dovechem Finance and Group Meeting 2005 were held on February 2-4, 2005. For the first time the two meetings were organized together to achieve greater efficiency and effectiveness. The purpose of having the Group Meeting annually is to review past year's business performances and to set goal and direction for the new year; whilst Finance Meeting is to review financial position and to enhance financial management of the companies.

The meetings were held at the Eastern & Oriental Hotel, Penang. Thirty three management and key personnel from China, Hong Kong, Indonesia, Malaysia and Singapore attended the 4 days 3 nights meeting. The meetings served as a platform of communication between and within the Dovechem Group of Companies. Management from different background are able to share views and knowledge, draw ideas and solutions, as well as to develop strategies and plans to achieve business objectives.

Coupled with the Dovechem 45th anniversary and success story, the meetings were set as a starting point for a more challenging year. Business, Finance, Human Resources and Information Technology are the 4 focal areas which management would seek for continuous improvement to continue excel and sustain in this dynamic business environment.
